

“华丽的服装” 老板娘除了做batik服装，也做套装。

The strong ethnic and tropical flavor material such as Batik material is many people's favourite. Vanity Fashions is the shop that sells various blouses and cheong sam that made from Indonesian imported premium Batik material.

The shop owner has 40 years of experience in tailoring and fashion business. Many of her regular customers feel that her clothings are very comfortable with another plus point is that it is made from Batik that you do not see it everywhere in the market. Another unusual stuff that you can find in this shop is modern cheong sam or qi pao with bare back design that is suitable for the younger customers.
